

AGELOC LUMISPA BLEMISH SERUM- salicylic acid lotion
NSE Products, Inc.

ageLOC® LumiSpa® Blemish Serum

Drug Facts

Active Ingredients

Salicylic Acid (2.0%)

Purpose

Acne Treatment

Uses

- For treatment of acne. Penetrates pores to eliminate most acne blemishes.

Warning

- **For external use only.**
- **Do not use** on damaged or broken skin.
- **Stop use and ask a doctor if** irritation occurs, only use one topical acne medication at a time unless directed by a doctor.
- **When using this product,** skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time.
- **Keep out of reach of children.** If product is swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a physician.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
