**Inactive ingredient**

Purified water, Benzoic acid, Boric acid, Ethanol, Triclosan.

**Keep out of reach of children.**

if swallowed, call poison control or seek medical help.

**Ask a doctor if**

**Stop use and ask a doctor if**

pain worsens or persists, or if you experience any of these symptoms: burning, itching, rash, or other changes in the skin where the product was placed.

**USES**

Effectively treats nail fungus, discoloration, splitting, thickening, crumbling and brittleness.

**Other information**

Store at room temperature 59-86°F (15-30°C)

**Directions**

- \* Before use, clean the affected area with soap and soak the nail in warm water to soften it.
- \* For toenail fungus, scrape the dirt off the nail and gently file the thickened part of the fungal nail until it's flat (be careful not to damage the nail bed).
- \* Use twice a day, morning and evening.
- \* Repeat this process 2-3 times a day until a healthy nail begins its gradual regeneration.

\* For best results, use continuously for 6 weeks.

### **Dosage & administration**

Apply 2-3 times a day

### **When using this product**

Do not wear this product directly on skin.

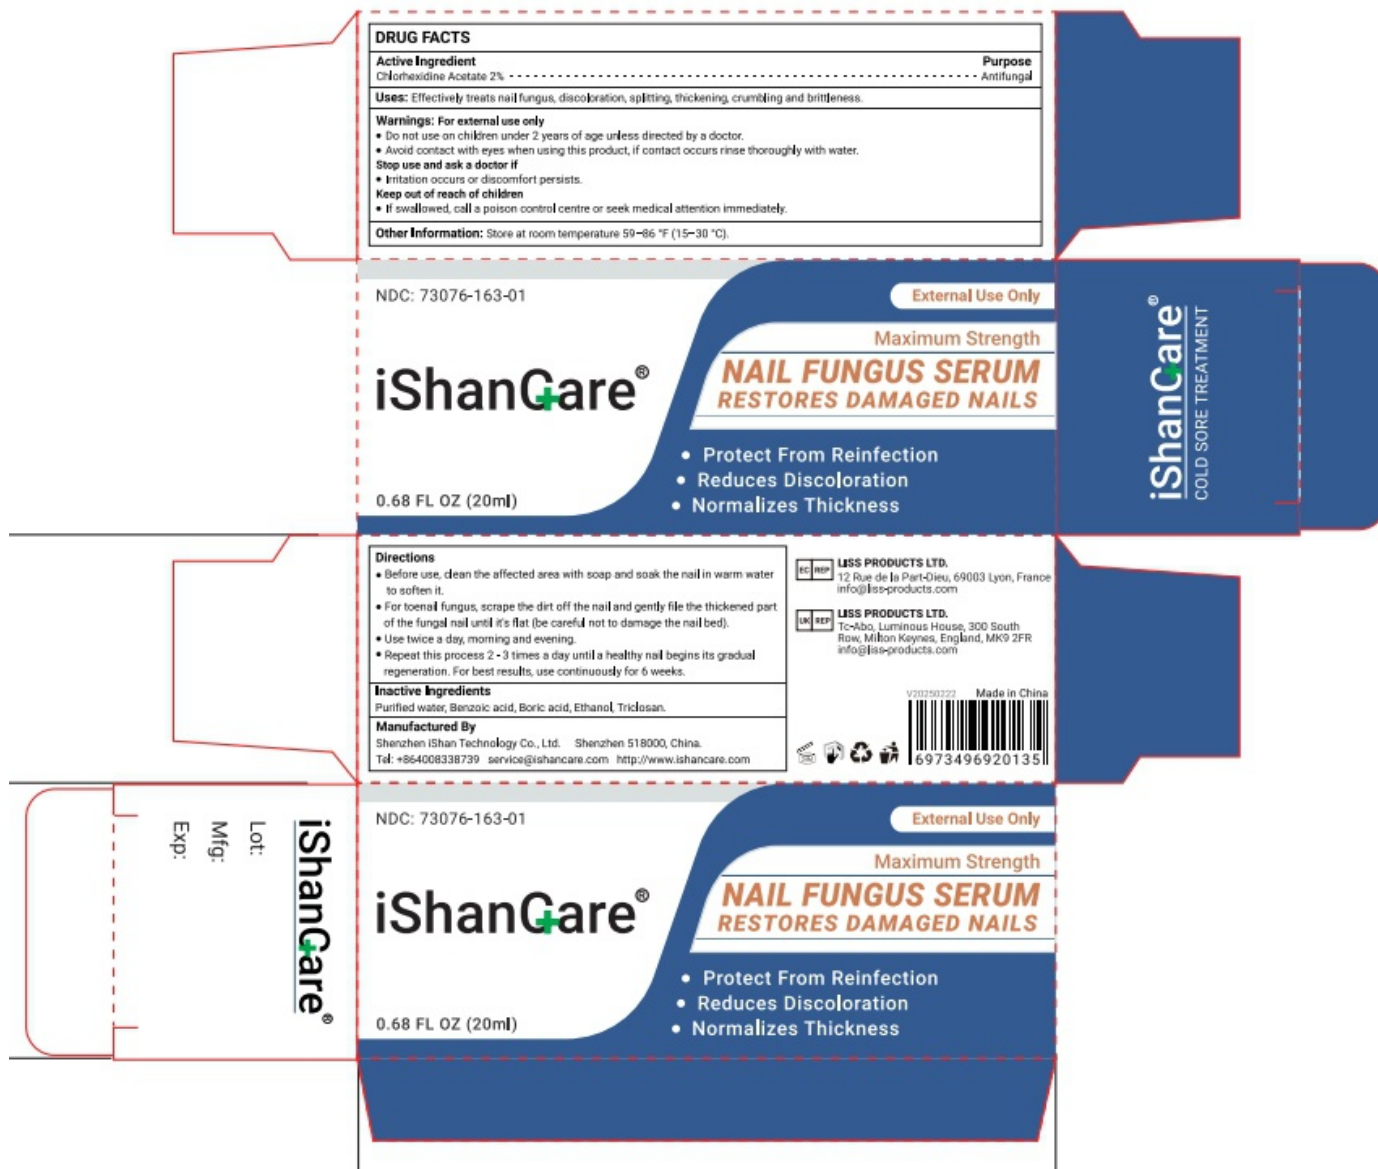

Be aware of low-temperature burns.

### **Warning**

Warnings: For external use only
