The Procter & Gamble Manufacturing Company

Tula Skincare Clear It Up Acne Clearing and Tone Correcting Gel

Drug Facts

Active ingredients

Salicylic Acid 2%

Purpose

Acne Treatment

Uses

- For treatment of acne

For external use only.

When using this product

• skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Stop use and ask a doctor if skin irritation occurs/gets worse.

Directions

- Clean the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three uses daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
