Uses

For the treatment of acne. Helps prevent the development of new blemishes.

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- Avoid contact with the eyes. If contact occurs, rinse thoroughly with water.

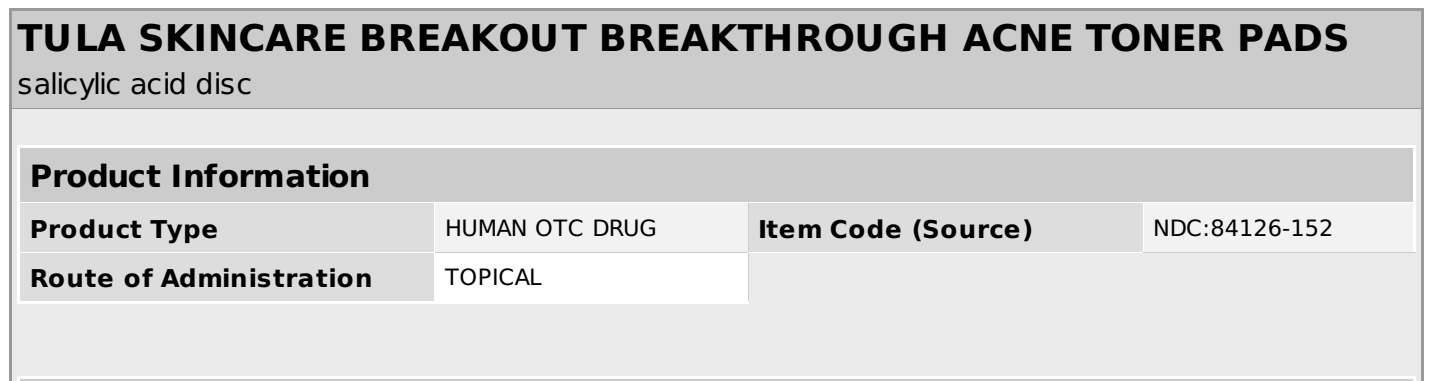

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Direction

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer daily.
- Because excessive drying of the skin may occur, start with one application daily, then increase to twice daily.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
