PURPOSE

This product helps protect the liver from chemical injury. It can promote the repair and regeneration of damaged liver cells, improve liver function, nourish and protect the organ, enhance liver detoxification, and reduce damage to the liver caused by viral factors.

KEEP OUT OF REACH OF CHILDREN

Keep out of reach of children

DOSAGE & ADMINISTRATION

Dosage: Oral administration, one tablet in the morning, one tablet in the evening (2 tablets daily)

INDICATIONS & USAGE

This product is suitable for people at high risk of chemical liver injury or those who have already developed symptoms of injury, including:

1. Long-term medication users Patients who need to take liver-toxic drugs for a long time such as antibiotics, anti-tuberculosis drugs, and anti-tumor drugs.
2. Occupationally exposed individuals Those who work in chemical factories or laboratories or are at increased risk of liver injury due to exposure to chemicals such as benzene and heavy metals.
3. Individuals with unhealthy lifestyles Sub-healthy individuals who drink alcohol regularly, consume high-fat diets, or are exposed to environmental pollutants (such as haze and

pollution caused by decoration materials).

4. Those seeking supportive treatment Individuals diagnosed with mild chemical liver injury who follow physicians' recommendations in liver repair and conditioning.

WARNINGS

Pregnant women, breastfeeding women, and those with severe liver or kidney dysfunction should use this product under the guidance of a physician.

This product is not a substitute for drugs. Seek medical attention promptly if severe symptoms such as jaundice or ascites occur.

OTHER SAFETY INFORMATION

Storage: Store in a tightly sealed container in a cool, dry place.
