

QUICK SCREEN SUNSCREEN SPF 50- avobenzone, homosalate, octisalate, octocrylene lotion

The Quick Flick PTY LTD

Quick Screen Sunscreen Spray SPF 50+

Drug Facts

Active ingredients

Avobenzone 3%, Homosalate 10%, Octisalate 5%, Octocrylene 8%

Purpose

Sunscreen

Use

- Helps prevent sunburn
- If used as directed with other sun protection measures (see Directions), decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings

For external use only

Do not use

- on damaged or broken skin

When using this product

- keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if

- rash occurs

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- For sunscreen use:
- apply liberally and evenly 15 minutes before sun exposure
- Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including: **Sun Protection Measures.**
- limit time in the sun, especially from 10 a.m.-2 p.m.

- wear long-sleeved shirts, pants, hats, and sunglasses
- reapply at least every 2 hours
- use a water resistant sunscreen if swimming or sweating
- children under 6 months of age: Ask a doctor

Other information

- Protect the product in this container from excessive heat and direct sun

Inactive ingredients

Ethanol, fumed silica, tocopherol acetate, jojoba seed oil, tomato fruit extract, fragrance, squalene.

GET SET

One quick step to set makeup and protect skin from UVA & UVB. The easiest way to top up your skin protection throughout the day.

Since 2017, I've been on a mission to challenge traditional beauty and skincare applications through compact, time-saving and multi-functional products. Growing up in sunny Western Australia, SPF has always been the most important thing I've done for my skin. Even when inside, reapplying SPF throughout the day is important, especially if you work near a window like I do. However this can be a challenge, especially if you have makeup on that you don't want to ruin. So of course, I decided to create a product that solved this conundrum, that also doubled as a finishing spray and antioxidant protection. I hope this product becomes your new go-to that does it all, so you can too.
