Homeopathic Vaginal Yeast Control  
Relieves Vaginal Itching & Irritation

Paraben-Free • Fragrance-Free  
Net: 14 Suppositories

**YeastRelief** is a gentle, homeopathic formulation designed to support natural relief from symptoms associated with vaginal yeast imbalance, including itching, irritation, and discomfort. Powered by active ingredients recognized by the HPUS, this formula combines the healing properties of Calendula officinalis, the soothing power of Chamomilla, and the antimicrobial support of Thymolium.

 **Calendula officinalis** - A natural healing agent that helps reduce inflammation and promote tissue repair.

 **Chamomilla** - Known for its calming and anti-itching properties, as well as soothing relief to irritated skin.

 **Thymolium** - A plant-derived compound with proven antibacterial and antiviral action to support vaginal flora balance.
