Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click here.

Micronized Progesterone USP (Wild Yam) 7.5%

This is a topical cream that contains bio-identical progesterone derived from wild yam. When applied to the skin it can help balance your hormones and provide temporary relief from menopausal symptoms such as hot flashes.

Apply once or twice a day. Massage into inner arms, thighs, chest or apply to inner forearm and rub arms together or use as directed by your Physician.

THIS CONTAINER yields approximately 70 full pumps or 50 mg of bio-identical Progesterone USP (5%) per pump. This is an All Natural product. Application is intended for external cosmetic use.

WARNING: FOR EXTERNAL COSMETIC USE ONLY. Discontinue use if irritation or red skin develops, and consult a Physician. If pregnant, nursing, or if you have a serious medical condition consult a healthcare professional before using this product. Do not use with any other progesterone or progestins. Do not use if tamper-evident seal is broken or missing. California Prop 65 Law requires this statement: This product contains progesterone, a chemical known only to the State of California to cause cancer. Cease using this product and seek medical attention if skin irritation or other negative reactions occur. **KEEP OUT OF REACH OF CHILDREN.**

If pregnant or nursing or if you have a serious medical condition consult a healthcare professional before using this product.

Keep Out of Reach of Children.

Apply once or twice a day. Massage into inner arms, thighs, chest or apply to inner forearm and rub arms together or use as directed by you physician.
