Awaken Skin Renewing Vitamin C Serum helps restore the protective skin barrier. The potent antioxidant L-Ascorbic Acid (the purest form of Vitamin C) evens skin tone, brightens the complexion, and defends against free radicals. This gentle, lightweight formula, enriched with three essential ceramides, Vitamin B5, and hyaluronic acid, hydrates and nourishes the skin, leaving it soft, radiant, and healthy-looking.

Skin appears visibly brighter, more even-toned, and smoother with improved texture.
