Hair Regrowth Treatment

Use to regrow hair and beard

Keep out of reach of children.

For external use only.

Your hair loss is sudden or patchy.

Your hair loss is associated with childbirth.

You do not know the reason for your hair loss.

You are under 18 years of age. Do not use on babies and children.

Your scalp is red, inflamed, infected, irritated, or painful.

You use other medicines on the scalp.

Avoid contact with the eyes. In case of accidental contact, rinse your eyes with large amounts of cool tap water.

Some people have experienced changes in hair color and/or texture.

It takes time to regrow hair. Results may occur at 3 months with twice a day usage. For some men, you may need to use this product for at least 6 months before you see results. The amount of hair regrowth is different for each person.

Avoid contact with eyes. In case of accidental contact, rinse your eyes with a large amount of cool tap water.

Chest pain, rapid heartbeat, faintness, or dizziness occurs.

Sudden, unexplained weight gain occurs.

If unwanted facial hair growth occurs .

If you do not see hair regrowth in 6 months.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center

(1-800-222-1222) right away.

1. Make sure your hair and scalp are completely dry before applying. (No need to wash your hair beforehand.)

2. Apply 3-4 sprays directly to the target area of the scalp.

3. Gently massage the product into your scalp or thinning areas until fully absorbed.

4. For best results, use consistently to boost and maintain hair regrowth. Stopping treatment may lead to hair loss returning.

Butylene Glycol, Glycerin, Alcohol, Castor oil, Dexpanthenol, Water
