DEFEND BEYOND IMPACT
Experience unmatched protection with Pharmlitalia Antibacterial Body Wipes – your premier choice for advanced hygiene care.
These medicated wipes provide a strong defense against a wide range of pathogens, including bacteria and fungi, keeping your skin clean, refreshed, and protected during intense activities or everyday life.

INTENDED USERS
Ideal for a broad range of users, including:

- Fitness enthusiasts and professional athletes
- Sports teams and gym-goers
- Outdoor adventurers and travelers
- Healthcare workers and facility operators
- Anyone seeking convenient, on-the-go hygiene care

Pharmlitalia wipes are especially suited for individuals using communal sports equipment rental gear, or engaging in active lifestyles.

✓ Made with FDA-approved antifungal agent Tolnaftate (1%).

🔥 Relieves itching, burning, redness, scaling, and cracking caused by fungal infections.

3X Triple milled for consistency and quality without harsh chemicals, dyes, or perfumes.

🏆 Developed by athletes and skin care experts for clean, healthy skin.
