Active ingredient

Salicylic acid 1.5%

Purpose

Acne treatment

Use

for the treatment of acne

Warnings

For external use only

1. When using this product

2. Avoid contact with eyes

1. skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

2. If contact occurs, rinse thoroughly with water

Stop use and ask a doctor if skin irritation occurs.

Directions

- Cleanse thoroughly before applying treatment.
- Apply a thin layer to the affected area one to three times daily.
- Because excess drying of the skin may occur, start with one application daily, then

gradually

increase to two to three times daily if needed or as directed by a doctor.

- If bothersome dryness or peeling occurs, reduce to once a day or even every other day.
- May be used on chest or back.
