

CLEARASIL STUBBORN ACNE CONTROL 5IN1 EXFOLIATING WASH- salicylic acid lotion
RB Health (US) LLC

Clearasil® Stubborn Acne Control 5in1 Exfoliating Wash

Drug Facts

Active ingredient

Salicylic acid 2%

Purpose

Acne medication

Use

for the treatment of acne

Warnings

For external use only

When using this product

- avoid contact with the eyes. If product gets into the eyes, rinse thoroughly with water.
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- limit use to the face and neck

Stop use and ask a doctor if skin or eye irritation develops

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- wet face
- dispense product into hands, lather and massage gently onto face and neck, avoiding the delicate eye area
- rinse thoroughly with warm water one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Other information

- keep tightly closed
- store in a cool, dry place
