Allergy Eye Relief, Single Use

Drug Facts

Active Ingredients

Apis mellifica 6X

Euphrasia officinalis (Eyebright) 6X

Sabadilla 6X

Purpose

burning, itching, stinging

redness, swelling, watering

watering, redness of lids

Uses*

According to homeopathic principles, the active ingredients in this product temporarily relieve minor symptoms such as:

- itching
- burning
- excessive watering
- redness of eyes and lids

Warnings

- **For external use only.**
- According to homeopathic principles, symptoms may temporarily worsen before improving (Initial exacerbation of symptoms).
- Use only if single-use dropper is intact.
- To avoid contamination, do not touch the tip of the dropper to any surface. Do not reuse. Once opened, discard.

- †Our drops will not harm contact lenses, however we recommend not wearing contacts while experiencing eye irritation.

If pregnant, trying to get pregnant or breast feeding,

ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Do not use:

- if solution changes color or becomes cloudy

Stop use and ask a doctor if:

- symptoms worsen or persist for more than 72 hours
- you experience eye pain or changes in vision

Directions

For adults and children age 2 and over:

- remove a single-use dropper
- twist flat end with ball to remove
- squeeze plastic dropper to release 1-2 drops into eye and discard applicator
- apply as needed
- use a new dropper for every application

Other Information

Active ingredients are manufactured according to homeopathic principles.

Inactive Ingredients
