phenylephrine hcl 0.25%, witch hazel 50% spray
Beyond Health. PA**

Doctor Butler's Advanced Hemorrhoid Relief Spray

Active Ingredients

Lidocaine HCl 5%

Phenylephrine HCl 0.25%

Witch Hazel 50%

Purpose

External Analgesic

Vasoconstrictor

Astringent

Uses

- temporary relief of anorectal itching and discomfort associated with hemorrhoids and other anorectal disorders
- for the temporary relief of pain, soreness or burning
- temporarily reduces the swelling associated with hemorrhoids
- temporarily shrinks hemorrhoidal tissue

Warnings

For external use only.

Flammable

Do not use while smoking or near heat or flame.

Do not use

in large quantities, particularly over raw surfaces or blistered areas. Do not exceed recommended dosage unless directed by a doctor.

When using this product

- keep out of eyes. Rinse eyes with water to remove
- do not put this product in the rectum by using fingers or any mechanical device or applicator

Ask a doctor or pharmacist before use if you have

- heart disease, high blood pressure, thyroid disease, diabetes, difficulty in urination

due to enlargement of the prostate gland

- are presently taking a prescription drug for high blood pressure or depression

Stop use and ask a doctor if

- condition worsens or does not improve within seven (7) days
- bleeding occurs
- an allergic reaction develops
- the symptom being treated does not subside or if redness, irritation, swelling, pain or other symptoms develop or increase

If pregnant or breastfeeding

ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults, when practical, cleanse the affected area by patting or blotting with an appropriate cleansing pad
- gently dry by patting or blotting with toilet tissue or soft cloth before application of this product
- shake well before using
- hold 3 to 6" away from rectal area, spray to moisten and then wipe off excess, if desired
- apply externally to the affected area up to 4 times daily
- children under 12 years of age, consult a doctor

Other Information

- store at 15°-30°C (59°-86°F)
- contents under pressure. Do not puncture or incinerate
