Blue-Emu® Lidocaine Dry-Patch

Active Ingredients

Lidocaine 4%

Purpose

Topical anesthetic

Use

For the temporary relief of pain.

Warnings

For external use only.

Do not use if pouch is damaged or opened. Do not use

- on large areas of the body or on cut, irritated skin
- on open wounds or sensitive skin
- for more than one week without consulting a doctor
- do not use more than one patch at a time
- do not use if you are allergic to lidocaine or any of the inactive ingredients listed below.

When using this product

- use only as directed. Read and follow all directions and warnings on this package.
- do not allow contact with the eyes
- do not bandage or apply local heat (such as heating pads) to the area of use
- do not reuse patch.

Stop use and ask a doctor if

- condition worsens
- rash, itching or skin irritation develops
- symptoms persist for more than 7 days or clear up and occur again within a few days

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children and pets.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Adults and children over 12 years of age:

Apply patch to affected area every 8 to 12 hours.

Children 12 years or younger:

Consult a physician before use.

Instructions for Use

- clean and dry affected area
- cut open pouch and remove the patch
- remove clear protective liner from the patch
- apply to affected area no more than three (3) times per day
- leave in place for up to 8 but no more than 12 hours
- wash hands thoroughly after applying or removing patch
- some individuals may not experience pain relief until several minutes or hours after applying a patch
- do not use other local anesthetic products in addition to Lidocare

Storage Information

- protect from freezing and excessive heat
- store at 68°-77°F (20°-25°C).

Inactive Ingredients

Crospovidone, menthoxypropanediol, non-woven backing fabric, polyester film, non-latex rubber based adhesive, vanillyl butyl ether.
