Purpose

Sunscreen

EXPERT ROUTINE L'BEL

L'Bel presents Expert Routine, a skin care program with two steps that work together for enhanced results:

1. Cleanse the skin according to its needs
2. Nourish according to the age.

HYDRA CALME

Intensive moisturizing line

To help protect the skin against dehydration, tightness, roughness, dullness and loss of vitality. L'Bel presents the Hydra Calme Intensive Moisturizing Line. A miracle of maximum moisturization and comfort for all ages and skin types.

A new skin care concept whose extraordinary revitalizing and comforting action inundates the skin with a pleasant feeling of freshness, softness and wellbeing to protect it and recover its appearance of beauty and youthfulness.

The fountain of youth the skin needs every day

Hydra Calm Intensive Moisturizing Line offers immediate and prolonged moisturization to the areas of the face that need it most. Its exclusive formulas reestablish the skin's hydric balance and facilitate the transportation of water according to the skin's moisturization needs.

A discover that changed the concept of moisturization

An innovative discovery in the world of cosmetic technology: **Hydra Comfort Systeme**. A powerful moisturizing complex based on Arctic Berry Extract, an exceptional source of carbohydrates, vitamins, minerals and antioxidants with comforting and softening properties.

Two formulas for all ages and skin types, both with a soft, comforting texture and rapid absorption properties:

1. Intensive moisturizing facial lotion SPF 15

USES: Helps prevent sunburn. Higher SPF gives more sunburn protection. Provides moderate protection against sunburn.

WARNINGS: For external use only. When using this product keep out of eyes. Rinse with water to remove. Stop use and ask a doctor if rash and irritation develops and lasts. **Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

Directions: Apply smoothly every morning before sun exposure and as needed. Use in the morning after cleansing and toning. Apply small amounts using fingertips and spreading with upward circular movements. Rub gently until absorbed completely. Children under 6 months of age: ask a doctor. Moderate sun protection product.

Other Information:

- Sun alert: Limiting sun exposure, wearing protective clothing, and using sunscreens may reduce the risk of skin cancer, and other harmful effects of the sun.
- HYPOALLERGENIC
- DERMATOLOGICALLY TESTED

2. Intensive moisturizing facial cream gel

USE: Use in the morning and / or at night after cleansing and toning. Apply small amounts using the fingertips and spreading with upward, circular movements. Rub gently until absorbed completely.

WARNING: For external use only. Keep out of eyes. Rinse with water to remove. Stop use and ask a doctor if Rash and irritation develops and lasts. **Keep out of reach of children.** If swallowed get medical help.

- HYPOALLERGENIC
- DERMATOLOGICALLY TESTED
