- recently had ear surgery

When using this product

avoid contact with the eyes

Stop use and ask a doctor if

- you need to use for more than four days
- excessive ear wax remains after use this product

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Directions

FOR USE IN THE EAR ONLY.

- **Adults and children over 12 years of age:**
- tilt head sideways
- place 5 to 10 drops into ear canal.
- tip of applicator should not enter ear canal.
- keep drops in ear for several minutes by keeping head tilted or placing cotton in the ear.
- use twice daily for up to 4 days if needed, or as directed by a doctor.
- any wax remaining after treatment may be removed by gently flushing the ear with warm water, using a soft rubber bulb ear syringe.

Children under 12 years of age: consult a doctor.

Other information

- store at room temperature
- avoid exposing bottle to excessive heat and direct sunlight
- store bottle in the outer carton
- product foams on contact with earwax due to release of oxygen. There may be an associated “cracking” sound.
- keep cap on bottle when not in use

Inactive ingredients

adipic acid, anhydrous glycerin, polysorbate 80
