

**GYNTIMA PROBIOTICA FORTE- sage, tea tree oil, folic acid, lactic acid suppository**  
**Fytofontana LLC**

*Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.*

-----

Acidum folicum 4X HPUS – Contributes to the regeneration and repair of vaginal tissues.  
Acidum lacticum 2X HPUS – Helps regulate vaginal pH and supports microbiome balance.  
Extractum Salviae officinalis 3X HPUS – Helps reduce irritation and supports hydration.  
Oleum Melaleucaae alternifolia (Tea Tree Oil) 4X HPUS – Traditionally used in homeopathy to support the body's natural defenses against external imbalances, helping to protect and maintain a healthy vaginal microbiome.

**Supports Vaginal Health**

Helps maintain the natural balance of the vaginal microbiome  
Supports hydration and elasticity of vaginal tissues  
Helps relieve discomfort, irritation, and pH imbalance while providing natural antimicrobial support to help maintain a healthy vaginal environment and support the body's natural defense against vaginal infections.

Lowers vaginal pH to create an unfavorable environment for harmful pathogens, while creating the ideal conditions for the body's own beneficial bacteria, particularly Lactobacillus species, to thrive. Tea tree oil and sage extract provide additional antimicrobial effects, supporting balance and local comfort.

PEG 32, Lactosum, Polysorbatum 20, PEG 20, Natrii chloridum, Proteose pepton, Benzalkonii chloridum

**Directions for use:**

Wash hands and intimate area thoroughly.  
Remove the suppository from the blister pack.  
Insert deeply into the vagina, preferably in the evening before bed.  
Use a sanitary pad, as minor discharge will occur.

**Warnings:**

Do not use during menstruation.  
Do not use during pregnancy.  
The vaginal suppository is intended for vaginal use only.  
Do not use if the packaging appears damaged.  
Do not use after the expiration date indicated on the package.  
Keep out of the reach of small children.

**Precautions:**

Consult your gynecologist when using vaginal preparations along with vaginal

contraceptives.

If problems still persist after several days of use, consult your gynecologist.

After gynecological procedures, use only with a physician's approval.

Any possible discoloration is due to natural plant substances in the product and is not a sign that the preparation is defective.

Regulatory Compliance:

The active ingredients in this product are prepared in accordance with the Homeopathic Pharmacopoeia of the United States (HPUS). These uses are based on traditional homeopathic practice. They have not been reviewed by the Food and Drug Administration.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Consult your gynecologist when using vaginal preparations along with vaginal contraceptives.

If problems still persist after several days of use, consult your gynecologist.

After gynecological procedures, use only with a physician's approval.

Any possible discoloration is due to natural plant substances in the product and is not a sign that the preparation is defective.
