

THERABREATH DEEP CLEAN- stannous fluoride paste, dentifrice
Church & Dwight Co., Inc.

TheraBreath™ Deep Clean Dentist Formulated Toothpaste, Fresh Mint
Drug Facts

Active Ingredient

Stannous fluoride 0.454% (0.14% w/v fluoride ion)

Purpose

Anticavity/Antigingivitis

Uses

• aids in the prevention of dental decay • helps prevent • gingivitis, an early form of gum disease • bleeding gums • helps interfere with harmful effects of plaque associated with gingivitis

Warnings

Stop use and ask a dentist if

• gingivitis, bleeding, or redness persists for more than 2 weeks • you have painful or swollen gums, pus from the gum line, loose teeth, or increasing spacing between the teeth. These may be signs or symptoms of periodontitis, a serious form of gum disease.

Keep out of reach of children under 6 years of age.

If more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

Directions

• do not swallow • supervise children as necessary until capable of using without supervision

adults and children 2 years of age and older	brush teeth thoroughly, preferably after each meal or at least twice a day, or as directed by a dentist or doctor
children under 6 years of age	instruct in good brushing and rinsing habits (to minimize swallowing)
children under 2 years of age	consult a dentist or doctor

Inactive Ingredients

water, hydrated silica, glycerin, pentasodium triphosphate, PEG-8, silica, sodium lauryl sulfate, flavor, sodium lauroyl sarcosinate, polyvinylpyrrolidone, titanium dioxide, xanthan gum, sucralose

Active ingredient: Stannous fluoride 0.454% (0.14% w/v fluoride ion) **WARNINGS:** Stop use and ask a dentist or doctor if gingivitis, bleeding, or redness persists for more than 2 weeks, you have painful or swollen gums, pus from the gum line, loose teeth, or increasing spacing between the teeth. These may be signs or symptoms of periodontitis, a serious form of gum disease. **Keep out of reach of children under 6 years of age.** If more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away. **Directions:** Do not swallow. Supervise children as necessary until capable of using without supervision. Adults and children 2 years of age and older: brush teeth thoroughly, preferably after each meal or at least twice a day, or as directed by a dentist or doctor. Children under 6 years of age: instruct in good brushing and rinsing habits (to minimize swallowing). Children under 2 years of age: consult a dentist or doctor. **Other information:** products containing stannous fluoride may produce surface staining of the teeth. Adequate tooth brushing may prevent these stains which are not harmful or permanent and may be removed by a dentist. This TheraBreath product is specially formulated to help prevent staining.

Tamper Evident: Do not use if inner foil is torn, cut or missing.
