

CERAVE ACNE CLAY-TO-FOAM CLEANSER- salicylic acid gel
L'Oreal USA Products Inc

Drug Facts

Active ingredient

Salicylic acid 2%

Purpose

Acne treatment

Uses

- for the treatment of acne
- clears acne blemishes and allows skin to heal
- helps prevent new acne blemishes from forming

Warnings

For external use only

When using this product

skin irritation and dryness
is more likely to occur if you use another topical acne
medication at the same time. If irritation occurs, only
use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get
medical help or contact a Poison Control Center right away.

Directions

For use as a cleanser:

- use twice daily
- massage onto skin with wet hands to transform clay
into foam
- avoid contact with eyes. If contact occurs, rinse
thoroughly with water

- rinse well

For use as a mask:

- apply even layer to clean, damp skin two times per

week

- leave on for ten minutes
- rinse off

For use as a spot treatment:

- clean the skin thoroughly before applying this product
- cover the entire affected area with thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Inactive ingredients
