Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Colgate® Zero Healthy Gums

Drug Facts

Active ingredient

Cetylpyridinium Chloride 0.075%

Purpose

Antigingivitis/Antiplaque

Uses

- helps prevent and reduce plaque and gingivitis
- helps control plaque bacteria that contribute to the development of gingivitis, an early form of gum disease, and bleeding gums

Warnings

Stop use and ask a dentist if

- gingivitis, bleeding, or redness persists for more than 2 weeks
- you have painful or swollen gums, pus from the gum line, loose teeth, or increasing spacing between the teeth. These may be signs or symptoms of periodontitis, a serious form of gum disease.

Keep out of reach of children under 6 years of age.

If more than used for rinsing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

Directions

adults and children 12 years of age and older	vigorously swish 20 mL of rinse between your teeth twice a day for 30 seconds and then spit out. Do not swallow the rinse.
children 6 years to under 12 years of age	supervise use
children under 6 years of age	do not use

Other information

- this rinse is not intended to replace brushing or flossing
- store at 59°F to 77°F

- keep from freezing

Inactive ingredients

Water, Glycerin, Propylene Glycol, Sorbitol, Poloxamer 407, Flavor, Potassium Sorbate, Citric Acid, Rebaudioside A.
