-----

**Dosage and Administration**

- For topical use only.
- Apply evenly to clean, dry skin at night, avoiding the eye and lip areas.
- Use 1–2 times per week or as directed by a skincare professional.
- Do not rinse off immediately; leave on overnight unless irritation occurs.
- Begin with less frequent use to assess tolerance, especially for sensitive skin.
- Always apply a broad-spectrum sunscreen during the day when using this product.
- Do not apply on broken, inflamed, or compromised skin.

For external use only.

Avoid contact with eyes and mucous membranes. If contact occurs, rinse thoroughly with water.

Do not apply to broken, irritated, or inflamed skin.

A mild tingling or redness may occur. If severe irritation develops, discontinue use and consult a healthcare professional.

Use sunscreen and limit sun exposure while using this product, as it may increase skin sensitivity to the sun.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

#### Indications and Usage

- KrX Aesthetics Biophase Molecular Night Peel (PHA/LHA) is indicated for topical use as an exfoliating treatment.
- Helps gently resurface the skin to improve texture, clarity, and brightness.
- Aids in the removal of dead skin cells while promoting a smoother, more radiant complexion.
- Recommended for use at night as part of a skincare regimen.
- Not intended for use on broken or inflamed skin.
