

JTOPYRT- salicylic acid pad swab
Guangzhou Yixiang Trading Co., Ltd.

Active ingredient(s)

Salicylic Acid 1.0%

Purpose(s)

Acne treatment

Uses

- For the treatment of acne
- Helps clear up pimples and blackheads
- Helps prevent new acne pimples from forming

Warnings

For external use only

When using this product

- Avoid contact with eyes. If contact occurs, rinse thoroughly with water.
- Skin irritation and dryness is more likely to occur if you use another topical acne

medication at the same time. If irritation occurs, only use one topical acne medication at a time.

- Avoid unnecessary sun exposure and use a sunscreen during the day.

Stop use and ask a doctor if

You experience any discomfort, abnormal skin reactions, or if skin irritation becomes severe or worsens.

Pregnancy or breast feeding section

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children

In case of accidental ingestion, get medical help or contact a Poison Control Center right away.

Directions

- Cleanse the skin thoroughly before applying medication.
- Take out a pad and gently wipe the entire affected area.
- Because excessive drying of the skin may occur, start with one application daily, then

gradually increase to two times daily if needed or as directed by a doctor.

- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- Alternate Use: You can place the pad directly on the skin, leave it on for 3-5 minutes, remove it, and gently pat the remaining essence until absorbed

Other information

- Store at room temperature 15°-30°C (59°-86°F)
- Protect from excessive heat and direct sun

Inactive ingredients
