

ZAPNE- salicylic acid 0.5% cloth
Zapne LLC

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

ZAPNE PRODUCT OTC DRUG LABEL

Directions:

- Wash skin to remove dirt, oils, and any cosmetics or lotions, then dry thoroughly.
- Open ZAPNE Packet Part 1 - Towelette infused with natural 0.5% salicylic acid and thoroughly wipe face and neck. Allow to dry and do not rinse.
- Open Zapne Packet part 2-A which contains a green/gray powder of natural fresh water sponge (*Spongilla lacustris*), natural Aloe Vera, natural sericin, brown seaweed, organic green tea, organic ginger root, willow bark, and chamomile. Pour its contents into a small mixing bowl.
- Carefully open ZAPNE Packet Part 2-B consisting of hydrogen peroxide 3% and water. Pour its content into a mixing bowl containing the powder.
- Mix thoroughly using your finger (1 minute).
- Apply the ZAPNE mixture as a mask over your entire face. Rub vigorously with your fingers, according to your skin sensitivity. Massage in small circular motions. Avoid applying the mask too close to the eyes.
- Allow to dry for about 15 minutes. A tingling sensation may be felt as the mask begins drying and the skin may experience erythema (slight redness),
- Next rinse skin thoroughly by splashing cold water or showering to remove the mask. Do not wipe or scrub face.
- Any skin erythema (slight redness) and tingling sensations gradually fade over 8-24 hours.
- For best results avoid heavy moisturizers for at least 12 hours .
- After skin starts sloughing (shedding) within 3-4 days, scrub your face using an exfoliating scrub, cloth, or loofa to remove any dead skin.
- Avoid direct sunlight for two weeks after using the mask. Use a sunscreen if it is necessary to be in direct sunlight.
- Apply again one week after the first application and continue to apply weekly until the desired results are achieved.

WARNING: Avoid direct contact with eyes. If contact occurs, rinse thoroughly with water or other eye wash fluids. If the problem persists, see a doctor immediately.

Directions:

Wash skin to remove dirt, oils, and any cosmetics or lotions, then dry thoroughly.

Open ZAPNE Packet Part 1 - Towelette infused with natural 0.5% salicylic acid and thoroughly wipe face and neck. Allow to dry and do not rinse.

Open ZAPNE Packet Part 2-A which contains a green/gray powder of natural fresh water sponge (*spongilla lacustris*), natural Aloe Vera, natural sericin, brown seaweed, organic green tea, organic ginger root, willow bark, and chamomile. Pour its contents into a small mixing bowl.

Carefully open ZAPNE Packet Part 2-B consisting of hydrogen peroxide 3% and water. Pour its contents into the mixing bowl containing the powder.

Mix thoroughly using your finger (1 minute).

Apply the ZAPNE mixture as a mask over your entire face. Rub vigorously with your fingers, according to your skin sensitivity. Massage in small circular motions. Avoid applying the mask too close to the eyes.

Allow to dry for about 15 minutes. A tingling sensation may be felt as the mask begins drying and the skin may experience erythema (slight redness).

Next rinse skin thoroughly by splashing cold water or showering to remove the mask. Do not wipe or scrub face.

Any skin erythema (slight redness) and tingling sensations gradually fade over 8-24 hours.

For best results avoid heavy moisturizers for at least 12 hours.

After skin starts sloughing (shedding) within 3-4 days, scrub your face using an exfoliating scrub, cloth, or loofa to remove any dead skin.

Avoid direct sunlight for two weeks after using the mask. Use a sunscreen if it is necessary to be in direct sunlight.

Apply again one week after the first application and continue to apply weekly until desired results are achieved.

WARNING: Avoid direct contact with eyes. If contact occurs, rinse thoroughly with water or other eye wash fluids. If the problem persists, see a doctor immediately.

Using other topical acne medications at the same time or immediately following the use of this product may increase dryness or irritation of the skin. If this occurs, only one treatment should be used unless directed by a doctor. Avoid direct contact with eyes. If contact occurs, rinse thoroughly with water.

Keepy out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

ZAPNE™

ACNE TREATMENT SYSTEM

- » Use Only Once a Week
- » Easy 15-minute Mask Treatment
- » Fast Acting
- » Feel and See it Working
- » All Natural Ingredients
- » Four Complete Weekly Treatments

The ZAPNE 2 Part Treatment System consists of Part 1. Medicated Towelette, infused with natural salicylic acid which is applied to the skin first, followed by applying a mask made by mixing Parts 2-A and 2-B. Apply the mask to the skin using your fingers and allow to dry for 15 minutes. Then rinse and let ZAPNE zap your acne.
