Allergy Eye Relief Trial Size

Drug Facts

Active Ingredient Apis mellifica 6X

Purpose burning, itching, stinging

Active Ingredient

Euphrasia officinalis (Eyebright) 6X

Purpose

redness, swelling, watering

Active Ingredient

Sabadilla 6X

Purpose

watering, redness of lids

Uses*:

According to homeopathic principles, the active ingredients in this product temporarily relieve minor eye allergy symptoms such as:

- itching
- burning
- excessive watering
- redness of eyes and lids

Warnings:

- For external use only.
- According to homeopathic principles, symptoms may temporarily worsen before improving (Initial exacerbation of symptoms).
- Use only if single-use dropper is intact.
- To avoid contamination, do not touch the tip of the dropper to any surface. Do not reuse. Once opened, discard.

• Contact wearers: consult a physician prior to using.

If pregnant, trying to get pregnant, or breast feeding, ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Do not use:

• if the solution changes color or becomes cloudy

Stop use and ask a doctor if:

- symptoms worsen or persist for more than 72 hours
- you experience eye pain or changes in vision

Directions:

For adults and children age 2 and over:

- twist flat end with ball to open
- squeeze plastic dropper to release 2-3 drops into eye and discard applicator
- apply as needed

Other Information:

Active ingredients are manufactured according to homeopathic principles.

Inactive Ingredients:

Phosphate buffer, Purified water
