

ANTI ACNE CALMING CORRECTOR - salicylic acid gel H2O Plus

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active Ingredient

Salicylic Acid 1.5%

Purpose

acne treatment

Warnings

For external use only.

Ask a doctor or pharmacist before use if you are using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of skin. If this occurs, only one medication should be used unless directed by a doctor.

When using this product avoid contact with eyes. If contact occurs, rinse thoroughly with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away. If excessive skin irritation develops or increases, discontinue use and consult a doctor.

Directions

Cleanse the skin thoroughly before applying medication. • Cover the entire affected area with a thin layer one to three times daily. • Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. • If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive Ingredients

Water (Aqua), SD Alcohol 40-B, Hamamelis Virginiana (Witch Hazel) Bark/Leaf/Twig Extract, Butylene Glycol, Glycerin, Glycolic Acid, Sodium Lactate, Linoleamidopropyl PG-Dimonium Chloride Phosphate, Hydroxyethylcellulose, Sodium Hydroxide, Fragrance (Parfum), Polysorbate 20,
