

**ROBVAW BEE VENOM WART CORN REMOVER- bee venom wart corn  
remover liquid  
Guangzhou Qiexiran Cosmetics Co., Ltd.**

-----  
**85817-004**

**Active Ingredient**

Salicylic Acid 17% w/w, Bee Venom 1%

**Purpose**

Wart and Corn Remover

**Use**

For the removal of corns, calluses, plantar warts, flat warts, common warts (less than 5 mm in size).

**Warnings**

For external use only.

**Do not use**

• On damaged skin, including cuts, abrasions, eczema, or sunburn. • If allergic to any of the ingredients in this product. • If you are pregnant or breastfeeding, unless directed by a doctor.

**When Using**

• Avoid contact with eyes. If contact occurs, flush thoroughly with water. • Do not swallow. • Children should use this product only under adult supervision. • Avoid prolonged exposure to air while using, as the liquid can easily volatilize and crystallize. • Tighten the cap after each use. If seal is broken or missing, do not use.

**Stop Use**

• You become pregnant or are planning to become pregnant while using this product. • Irritation or redness occurs. • Condition worsens or does not improve after regular use.

**Ask Doctor**

• You become pregnant or are planning to become pregnant while using this product. • Irritation or redness occurs. • Condition worsens or does not improve after regular use.

Keep Out Of Reach Of Children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

• Clean the affected area with warm water. • Remove the inner plug from the bottle. Install the brush into the bottle cap, press the brush tightly, and securely tighten the cap on the bottle. • Apply the solution directly to the wart, corn, or callus. • For larger areas, use consistently over time.

Other information

• Store between 20°to 25°C(68°to 77°F). • Keep tightly closed.
