Clean Hands Antimicrobial Hand Soap

Thick, gentle hand soap with Benzalkonium Chloride (an antimicrobial agent that leaves hands virtually germ free). Luxurious lather will not strip natural oils from the skin, but leaves hands clean. Contains skin emollients. Recommended for use in offices, hospitals, nursing homes, hotels and institutional facilities.

Grueso, gentil espuma, el jabón de manos con Benzalkonium Chloride (agente antimicrobiano que deja las manos sin gérmenes). Su abundante espuma no quitará los aceites naturales de la piel, dejando sus manos limpias y esterilizadas. Contiene suavizantes.
