

ONELAX SENNA- senna syrup
Atlantic Biologicals Corp.

OneLAX SENNA SYRUP

Active Ingredient

Active ingredient (in each teaspoonful)	Purpose
Sennosides 8.8 mg	Laxative

Uses

relieves occasional constipation (irregularity), generally causes bowel movement in 6 to 12 hours

Warnings

ask a doctor before use if you have • stomach pain • nausea • vomiting • noticed a sudden change in bowel movements that continues over a period of 2 weeks

Do not use laxative products for longer than 1 week unless directed by a doctor

Ask a doctor or pharmacist before use if

you are taking any other drug. Take this product two more hours before or after other drugs. Laxatives may affect how other drugs work.

Stop use and ask a doctor if

you have rectal bleeding or fail to have bowel movement after use of laxative. This may indicate a serious condition.

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children

In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

take preferably at bedtime or as directed by a doctor. Shake Well Before Using.
