SODIUM CHLORIDE

PHENOXYETHANOL

PEG-150 PENTAERYTHRITYL TETRASTEARATE

ETHYLHEXYLGLYCERIN

Acne Medication

Keep out of reach of children

For external use only.

When using this product

Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

When using this product

If swallowed, get medical help or contact a Poison Control Center right away.

Wet the skin and gently massage for 1-2 minutes and rinse well.

If bothersome dryness or peeling occurs, reduce frequency of use.

Dispense a small amount into hand and mix with a little water.

Apply a thin layer over the entire affected area in a circular motion and rinse thoroughly with warm water two times daily.

Because excessive dry of the skin may occur, start with one application daily, then gradually increase to two times daily if needed or as directed by a doctor.

If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

CARING MILL ACNE CLEARING CLEANSER

salicylic acid liquid

Product Information

Product Type	HUMAN OTC DRUG	Item Code (Source)	NDC:81522-100
Route of Administration	TOPICAL
