Ask a doctor before use if you have

- have infestation of eyebrows or eyelashes
- are pregnant

When using this product

- do not use in or near the eyes; close eyes while product is being applied
- do not permit contact with mucous membranes, such as inside the nose, as irritation or stinging may occur

Stop use and ask a doctor if

- skin irritation or infection is present or develops

Keep out of reach of children

- if swallowed, get medical help or contact a Poison Control Center right away.

Other information

store at 59-86°F (15-30°C)

Directions

- adults and children 6 months of age and older:
- for best results on a head lice infestation, use Licefreee! Spray or Gel treatment the day before using this shampoo.
- apply a generous amount of shampoo to wet hair, work into a lather while massaging into scalp; rinse.
- repeat, this time leaving the shampoo on the hair for 3 minutes; rinse
- use daily for at least 7-10 days to treat any lice that may have hatched.

Inactive ingredients

benzyl alcohol, cocamidopropyl betaine, disodium EDTA,

fragrances, polyquarernium 10, purified water, soldium lauryl sulfate, tea tree oil
