

HERMON ANTIFUNGAL JOCK ITCH BODY WASH- tolnaftate 1% gel

Beautivity LLC

Initial Drug Listing - Hermon Antifungal Jock Itch Body Wash

Tolnaftate 1%

Antifungal

- Treats most jock itch, athlete's foot, and ringworm
- Relieves itching, burning, cracking, and discomfort associated with fungal infections
- Helps prevent recurrence of jock itch and athlete's foot with daily use

For external use only

- Avoid contact with eyes. If contact occurs, rinse thoroughly with water
- Do not use on broken or severely irritated skin
- Do not apply over large areas of the body
- Irritation occurs
- No improvement is seen within 2 weeks (for jock itch and ringworm)
- No improvement is seen within 4 weeks (for athlete's foot)

If swallowed, get medical help or contact a Poison Control Center right away.

- Use daily in the shower or bath
- Apply to affected area and surrounding skin
- Lather and leave on skin for 1-2 minutes, then rinse thoroughly
- Dry affected area completely
- For jock itch and ringworm, use twice daily for 2 weeks
- For athlete's foot, use twice daily for 4 weeks
- To help prevent recurrence, continue use after symptoms disappear or as directed by a doctor

Store at 15°-30°C(59°-86°F)

Do not use if seal under cap is broken or missing
