LiceFreee Kit

Licefreee Shampoo Everyday!

Active Ingredient

Natrum muriaticum 1X 10% HPUS (Sodium chloride)

Purpose

Pediculosis remedy

Uses

- Use daily to help avoid head lice reinfestation.

Warnings

For external use only.

Ask a doctor before use if you

- have infestation of eyebrows or eyelashes
- are pregnant

When using this product

- do not use in or near the eyes; close eyes while product is being applied
- do not permit contact with mucous membranes, such as inside the nose as irritation or stinging may occur

Stop use and ask a doctor if

- skin irritation or infection is present or develops

Keep out of reach of children

- if swallowed, get medical help or contact a Poison Control Center right away

Directions

- Adults and children 6 months and older:
- for best results on a head lice infestation, use Licefreee Spray!® or Licefreee!® Gel treatment before using this shampoo.
- apply a generous amount of shampoo to wet hair, work into a lather while massaging into scalp; rinse
- repeat, this time leaving the shampoo on the hair for 3 minutes; rinse
- use daily for at least 7-10 days to treat any lice that have hatched.
- Children under 6 months:
- do not use; consult a doctor

Other information

store at 59-86°F (15-30°C)

Inactive ingredients

benzyl alcohol, cocamidopropyl betaine, disodium EDTA, fragrances, polyquaternium 10, purified water, sodium lauryl sulfate, tea tree oil

Licefree! Gel Lice Treatment

Active Ingredient

Natrum muriaticum 1X 10% HPUS (Sodium chloride)

Purpose

Pediculosis remedy

Uses

■ For the treatment of ■ head lice ■ pubic (crab) lice ■ body lice

Warnings

For external use only

Ask a doctor before use if you have

- infestation of eyebrows or eyelashes

When using this product

- do not use in or near the eyes
- do not permit contact with mucous membranes, such as inside the nose, mouth, or vagina, as irritation or stinging may occur
- close eyes tightly while hair is being rinsed; do not open eyes until product is rinsed out
- tingling may occur during the first 10 minutes of application; this is normal and should go away; if it doesn't, rinse hair immediately and discontinue use

Stop use and ask a doctor if

- skin irritation or infection is present or develops

Keep out of reach of children

- if swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 6 months of age and older:
- shake well
- remove cap and tamper evident seal; replace with enclosed root applicator
- apply to DRY hair and entire scalp, starting at the nape of the neck and behind ears (where lice congregate) and work forward
- thoroughly saturate all hair and scalp; to be effective, all lice and nits must come in

full contact with the product

- put plastic cap on head and leave on for at least 60 minutes; for best results stay in a warm room
- never leave child unattended with plastic cap on
- with product still in hair, remove plastic cap and comb out all dead lice and nits with enclosed fine toothed comb; rinse comb out under running water
- once all lice and nits are combed out, rinse hair thoroughly with warm running water
- thoroughly inspect and comb hair and scalp a second time to ensure complete removal of all lice and nits
- Licefreee! may be used as often as necessary; a second treatment in 7-10 days is recommended to kill any newly hatched lice
- children under 6 months of age:
- do not use, consult a doctor

Other Information

Store at 59 - 86°F (15 - 30°C)

Inactive Ingredients

aminomethyl propanol, anise oil, carbomer, cocamidopropyl betaine, fragrance, PEG-6 caprylic/capric glycerides, purified water
