INACTIVE INGREDIENTS

Chitosan, Propolis extract, Turmeric root extract, D-sorbitol solution, Grapefruit seed extract, Peppermint flavor Xylitol, Enzymatically modified stevia, Taraxacum platycarpum extract, Green tea extract, Gardenia Blue, Purified water

PURPOSE

Antigingivitis, Antiplaque

WARNINGS

Keep out of reach of children under 6 years of age.

■ if more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

Stop use and ask a dentist if

■ gingivitis, bleeding or redness persists for more than 2 weeks

■ you have painful or swollen gum, pus from the gumline, loose teeth, or increasing spacing between the teeth. These may be signs or symptoms of periodontitis, a serious form of gum disease.

KEEP OUT OF REACH OF CHILDREN

Keep out of reach of children under 6 years of age.

■ if more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

Uses

■ Helps prevent and reduce plaque and gingivitis

■ Helps control plaque bacteria that contribute to the development of gingivitis and bleeding gums

Directions

■ Add a 5 drops of this solution to the enclosed cup, add water to the marked line (20ml).

■ Adults and children 12 years of age and older: vigorously 1/2 oz. (20ml) of rinse,

- twice a day, for 30seconds and then spit out.
- Children 6 years to under 12 years: supervise use.
 - Children under 6 years of age: do not use

Other Information

- Airtight container, Store in normal temperature 1~30°C (34~86°F)
