-----

Lumavex is a prescription multivitamin/multimineral dietary supplement with 1mg Folic Acid.

Lumavex is a prescription multivitamin/multi-mineral dietary supplement formulated for the clinical dietary management of a suboptimal nutritional status in patients where advanced folate and maintenance of good health is needed.

Lumavex is contraindicated in patients with a known hypersensitivity to any of the ingredients.

Folic acid alone is improper therapy in the treatment of pernicious anemia and other megaloblastic anemias where Vitamin B 12 deficient. Folic acid in doses above 1.0 mg daily may obscure pernicious anemia in that hematologic remission can occur while neurological manifestations progress.

**WARNING** If you are pregnant or nursing, ask a health care professional before using this product. Keep this product out of the reach of children.

Call your doctor about side effects. You may report side effects to the FDA at 1-800-FDA-1088.

Usual adult dosage is one to two capsule daily or as directed by a licensed medical practitioner.

Lumavex capsules are supplied as clear capsules dispensed in HDPE plastic bottles of 30 count (85477-610-30).

**STORAGE:** Store at controlled room temperature 15°-30° C (59°-86° F). Keep in a cool dry place.
