

**MQXUNMI BEE VENOM CORN CALLUS REMOVERS- bee venom corn callus
removers liquid
Zhengzhou Miaoqi Medical Technology Co., Ltd.**

83781-013

Active Ingredient

Salicylic Acid.....2%
Bee venom extract.....2%
Honey extract.....5%

Purpose

Corn, Callus Remover

Use

For the corn and callus areas on the feet and hands (avoid face or genitals).

Warnings

For external use only.
Keep out of children's reach.
Avoid eye contact; rinse with water if needed.

Do not use

On irritated or infected skin.
On genital or mucous membrane warts.
If allergic to bee venom or salicylic acid.

When Using

Apply only to the wart, avoid surrounding skin.
Use the brush carefully.
Wipe off any spills on unaffected skin.

Stop Use

If irritation or discomfort occurs.
If wart persists after use.

Ask Doctor

If pregnant, breastfeeding, diabetic, or poor circulation.
If wart is on the face, armpits, or groin.

Keep Out Of Reach Of Children

Please keep the product out of reach of children. If accidentally ingested, please call the emergency center immediately.

Directions

1. Wash the corn & callus area with water and dry the skin.
2. Unscrew the cap to open. Dip the liquid with the brush and apply it on the affected area. Wait in minutes after the liquid dries and turn to mask and apply one more time.
3. Repeat the above process twice a day, morning and evening. If the issue is foot - based, apply before bedtime to minimize friction.
4. Continue daily application for at least 2 weeks until the skin appears smooth. More severe cases may require more time. Remain patient and consistent during the application.

Other information

Keep bottle tightly closed. Store at 15°C-30°C (59°F-86°F). Protect from heat and sunlight. Do not freeze.

Inactive ingredients

Aqua, Glacial Acetic Acid, Hawthorn seed extract, Frutus cnidii, Kuh-seng, Honeysuckle, Propylene glycol.
