

**CREST PRO HEALTH PEPPERMINT FROST- stannous fluoride paste, dentifrice  
The Procter & Gamble Manufacturing Company**

---

**Crest Pro-Health Peppermint Frost**

**Drug Facts**

Active ingredient

Stannous fluoride 0.454%

(0.15% w/v fluoride ion)

**Purposes**

Anticavity, antigingivitis, antisensitivity toothpaste

**Uses**

- aids in the prevention of cavities
- helps prevent gingivitis
- helps interfere with the harmful effects of plaque associated with gingivitis
- helps control plaque bacteria that contribute to the development of gingivitis
- builds increasing protection against painful sensitivity of the teeth to cold, heat, acids, sweets, or contact

When using this product do not use for sensitivity longer than four weeks unless recommended by a dentist.

Stop use and ask a dentist if the sensitivity problem persists or worsens. Sensitive teeth may indicate a serious problem that may need prompt care.

Keep out of reach of children. If more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

**Directions**

- adults and children 12 yrs. & older: apply at least a 1-inch strip of the product onto a soft bristle toothbrush. Brush teeth thoroughly for at least 1 minute twice a day (morning and evening) or as recommended by a dentist. Make sure to brush all sensitive areas of the teeth.
- do not swallow
- children under 12 yrs. of age: ask a dentist

**Other information**

- products containing stannous fluoride may produce surface staining of the teeth
- adequate toothbrushing may prevent these stains which are not harmful or permanent and may be removed by your dentist
- this Crest is specially formulated to help prevent staining

- see your dentist regularly
