

RUGBY BENZOYL PEROXIDE WASH ACNE MEDICATION- benzoyl peroxide lotion
Longway Technology(Guangzhou) Co., Ltd

Rugby® 10% Benzoyl Peroxide Wash
Acne Medication MGC

Drug Facts

Active ingredient

Benzoyl peroxide USP 10%

Purpose

Acne medication

Use

for the treatment of acne

Warnings

For external use only

Do not use this medication if you

- have very sensitive skin
- are sensitive to benzoyl peroxide.

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and consult a doctor if

irritation becomes severe

If pregnant or breastfeeding

ask a health professional before use.

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) immediately.

Directions

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer and rinse thoroughly one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product.

If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other information

- Keep tightly closed
- Store at room temperature
