fungal infection itching

You are allergic to vinegar such as itching, rash swelling of the lips, eyelids, and shortness of breath

You are allergic to vinegar such as itching, rash swelling of the lips, eyelids, and shortness of breath

Keep out of reach of children.

- Apply it in the day and night (twice a day).
- Before using it for the first time, soak the diseased nail with warm water to soften it, use the nail file to polish the nail, make it thin visibly, and scrape off the dirt on the nail (be careful not to hurt the nail bed), then apply the liquid.
- After first use, every 2-3 days use the nail file to polish the surface of the diseased nail and then continue to use it.
- If swallowed, get medical help or contact a poison control center right away.

Water, Acetic Acid, Sophora Flavescens, Stelleria Chamaejasme whole, Chinese Golden Larch Bark, Fructus Cnidii, Crocus Sativus Whole, Ethanol, Cnidium Seed, Alcohol

- Do not use if glued carton end flaps are open or if the tube seal is broken.
- Store at 68°-77°F (20°-25°C).
- Keep container tightly closed

Apply it in the day and night (twice a day)
