Rida LLC

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Drug Facts

Active Ingredient	Purpose
Olive Extract (oleuropein) 3X HPUS	Moisturing and Healing Agent
Calendula Officinalis 3X HPUS	Anti-microbial and Healing agent

Uses

This product is intended to relieve symptoms associated with known bacterial vaginosis infections, including fishy odor, excess discharge, irritation and burning while urinating.

Warnings

- For vaginal use only.
- **If pregnant or breast-feeding** ask a healthcare professional before use.
- **Keep out of the reach of children** If swallowed, get medical help or contact Poison Control Center right away.
- For adults only. Do not use it on children.
- If vaginal irritation occurs, stop using. If symptoms persist, contact your physician.
- Store in dry and cool place at 2°-30°C

Directions

For individuals aged 12 and older:

- Remove the applicator from the sealed wrapper by tearing the easy-open notch. DO NOT open the applicator at this time. Grip the applicator firmly by the thick end. Shake down to ensure that the contents are at the thin end of the applicator.
- Bend the thin pointed end of the applicator back and forth repeatedly. Snap off the thin pointed end of the applicator and discard the tip.
- **DO NOT use scissors or tools to cut the applicator tip**
- Bend your knees while sitting, standing or lying on your back and gently insert the open end of the applicator right into the vagina.
- Firmly press the thick end of the applicator to deposit the gel.
- Remove the applicator and discard in waste container.

Inactive Ingredients

Purified water, povidone-iodine, Hyaluronic Acid, Tocopherol Acetate (vitamin E), Carbomer, Sodium Hydroxide, Sodium Edetate, Hop Extract, Organic olive oil, Organic Avocado oil, Fructus Cnidii Extract, Taraxacum Mongolicum Extract

Other information

Please note that this treatment consists of 7 doses. While many women may not experience complete symptom relief within just two days, most will notice some improvement in that timeframe and should expect complete relief within seven days.

HydroGYN

— LONG-LASTING — vaginal moisturizer
With Hyaluronic Acid

10 Pre-filled single-use Applicators

Homeopathic Medicine

Easy Guide

HydroGYN Long-Lasting Vaginal Moisturizer is to be applied directly from the specially designed sealed applicator into the vagina. **Note: The applicator is designed to deposit the recommended amount of moisturizer. When used as directed, a small amount of moisturizer will remain in the applicator after use. Discard this excess product along with the applicator.**

1. Remove the applicator from the sealed wrapper by tearing the easy-open notch. **DO NOT** open the applicator at this time. Grip the applicator firmly by the thick end. Shake down to ensure that the contents are at the thin end of the applicator.
2. Bend the thin pointed end of the applicator back and forth repeatedly. Snap off the thin pointed end of the applicator and discard the tip*.
***DO NOT use scissors or tools to cut the applicator tip.**
3. Bend your knees while sitting, standing, or lying on your back and gently insert the open end of the applicator right into the vagina.
4. Firmly press the thick end of the applicator to deposit the gel.
5. Remove the applicator and discard in waste container.

Warnings:

- If pregnant or breastfeeding, consult your healthcare provider before using.
- Keep out of reach of children.**
- For adults only! Do not use it on children!
- If vaginal irritation occurs, stop using. If symptoms persist, contact your physician.
- Store in dry and cool places at 2°C-30°C.
