Hero Pore Release Blackhead Clearing Solution

Drug Facts

Active ingredient

Salicylic Acid 2%

Purpose

Acne Treatment

Uses

- For the treatment of acne
- Reduces the number of blackheads
- Helps keep skin clear of new blackheads

Warnings

For external use only.

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Stop use and ask a doctor if

- irritation becomes severe

Sunburn Alert

This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterwards.

Directions

- Cleanse the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive ingredients

water/aqua/eau, butylene glycol, gluconolactone, arginine, glycolic acid, aloe barbadensis leaf juice, nelumbo nucifera root water, glycerin, hydrolyzed gardenia florida extract, biosaccharide gum-1, sodium levulinate, glyceryl caprylate, maltodextrin, sodium anisate, sodium hydroxide, potassium sorbate, sodium benzoate, citric acid
