Purpose

Skin Protectant

Uses

- temporarily protects and helps relieve chapped or cracked skin
- helps protect from the drying effects of wind and cold weather
- helps treat and prevent diaper rash
- protects chafed skin associated with diaper rash and helps protect from wetness
- temporarily protects: • minor cuts • scrapes • burns

Warnings

For external use only

Do not use on

- deep or puncture wounds
- animal bites
- serious burns

When using this product

When using this product do not get into eyes

Stop use and ask a doctor if

- condition worsens
- symptoms last more than 7 days or clear up and occur again within a few days.

Keep out of reach of children

If swallowed, get medical help or consult a Poison Control Center right away.

Directions:

For general skin protection: apply as needed.

For incontinence care: change wet and soiled diapers and garments promptly. • Cleanse the affected area and allow to dry. • Apply ointment liberally, as often as necessary, especially at bedtime or any time when exposure to wet, moist or soiled garments may be prolonged.
