## CARR & DAY & MARTIN CORNUCRESCINE DAILY HOOF MOISTURISER Original 1896 Formulation

Formulated specifically to achieve optimum moisture replacement for dry and brittle hooves.

Prolonged dry periods can cause the hoof horn to dehydrate and in severe cases result in cracking and splitting.

Before use first ensure the hoof is clean, dry and free from oil and grease then apply liberally to the entire hoof structure on a daily basis.

Manufactured in England by

CARR & DAY & MARTIN

Animal House

Boundary Road, Lytham

FY8 5LT, UK
