ADAPALENE GEL 0.1% instructions

Other Ingredients:

Carbomer, Methylparaben, Poloxamer 182, Propylene Glycol, Water, Ethanol, Acrylates/Stearyl Methacrylate Copolymer. May contain hydrochloric acid, used to adjust pH.

Precautions for Use

1. Do not use the acne cream around the eyes or on the eyes.
2. The following people should consult a doctor, pharmacist, or manufacturer before using: Patients seeing a doctor. People allergic to medications or cosmetics. People with severe ulceration in the affected area.
3. If any of the following symptoms occur after use, please stop using immediately and consult a doctor, pharmacist, or manufacturer.
4. If symptoms do not improve after one month of using this product or if they become more severe, please stop using it and consult a doctor, pharmacist, or manufacturer.

Related Notes on Usage and Dosage:

1. This product is only to be used on acne and pimple-affected areas; please do not use it on the surrounding areas.
2. Be careful not to get it in the eyes. If it does enter the eyes, please rinse immediately with cold or warm water. If discomfort continues after rinsing, please consult an ophthalmologist immediately.
3. When used by children, please use under adult supervision.
4. This product is for external use only.

Storage Precautions:

1. Store in a cool place and avoid exposure to high temperatures and direct sunlight.
2. Keep out of reach of young children to prevent accidental ingestion.
3. Do not replace the product container (this could lead to misuse or spoilage).
4. Do not use the product after the expiration date.
