**Uses\***

According to homeopathic indications these ingredients provide temporary relief from eye floaters after serious causes have been ruled out by a physician. \*These statements are based upon traditional homeopathic practice. They have not been reviewed by the Food and Drug Administration.

**Warnings:**

**A PHYSICIAN SHOULD ALWAYS BE CONSULTED TO RULE OUT SERIOUS CAUSES.**

- This product is intended to complement, not replace, standard medical treatment.
- Initial worsening of symptoms may occur.
- **This product is intended to be taken orally. Do not use in eyes or nose.**

**If pregnant or breast-feeding,** ask a health professional before use.

**Do not use if:**

- You frequently contract infections that do not clear up easily.
- You experience eye pain or changes in vision.

**Keep out of reach of children.** In case of accidental overdose, get medical help or contact a Poison Control Center right away.

**Stop use and ask a doctor if:**

- You experience eye pain or change in vision, continued floaters, or irritation of the eye.
- The condition worsens.
- Symptoms last longer than 72 hours.

**Directions:**

- Suitable for adults and children 5 years and over.
- Dissolve entire tablet under tongue.
- Do not chew or swallow whole.
- Take 2 tablets a day or as directed by a physician.
- Use up to 6 times a day as needed.
- Take at least 10 minutes before or at least 10 minutes after eating or drinking.
- Children under the age of 5: Consult a physician before use.

**Inactive ingredients**

Copovidone, Crospovidone, Lactose, Magnesium stearate, Mannitol, Microcrystalline cellulose, Silicon dioxide, Sorbitol.

**Other information:**

- Homeopathic remedies may not be effective for everyone.
- Individual results may vary.
- Floaters Relief Fast Dissolving Tablets are homeopathic micro-dilutions, for details see [www.thereliefproducts.com](http://www.thereliefproducts.com).
