USES: Instantly moisturizes dry nasal passages with soothing aloe and clears congestion associated with colds and year-round allergies. May be used as needed, day or night; safe to use with prescriptions and OTC medications.

DIRECTIONS: For nasal use only. Before and after each use, expel a short stream of mist into the air to clear nozzle. Insert tip of nozzle into one nostril and press down on the textured area at the base of the nozzle so that a gentle mist coats nasal passages. Blow your nose very gently to clear the mucus out.
