

BIBA ACNE- benzoyl peroxide gel
Esthetic Underground, Inc.

Biba Acne

DRUG FACTS:

Active Ingredient

Benzoyl Peroxide 2.5%

Purpose

Acne treatment

Uses

For the treatment of acne

Warnings

For external use only

Do not use

- On sensitive skin
- If you are allergic to benzoyl peroxide

Ask a doctor or pharmacist before use if you have severe acne

When using this product

Skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time

- If irritation occurs, use one topical acne medication at a time
- Avoid contact with eyes, lips & mouth
- Avoid contact with hair and dyed fabrics, which may be bleached by this product
- Skin irritation may occur, characterized by redness, burning, itching peeling or possibly swelling
- Irritation may be reduced by using the product less frequently or in a lower concentration
- Avoid unnecessary sun exposure and use sunscreen.

Stop use and ask a doctor if

Irritation becomes severe.

Keep out of reach of children

If swallowed, call a poison control center or get medical help right away

Directions

Clean the skin thoroughly before applying this product

- Cover the entire affected area with a thin layer one to three times daily
- Because excessive dryness of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day every other day

INFORMATIONS PHARMACETIQUES:

Ingédients actifs Objectif
Peroxyde de Benzoyl 2.5% Traitement de l'acné

Indications: Pour le traitement de l'acné

Mise en garde: Usage externe seulement.

Ne pas utiliser si vous avez une peau très sensible et/ou êtes sensible au Peroxyde de Benzoyle.

Lors de l'utilisation de ce produit, une irritation et une sécheresse cutanées sont plus susceptibles de survenir si vous utilisez un autre médicament topique contre l'acné en même temps. En cas d'irritation, utilisez un médicament topique contre l'acné à la fois. Évitez tout contact avec les yeux, les lèvres et la bouche. Évitez tout contact avec les cheveux et les teintures tissus qui peuvent être blanchis par ce produit. Une irritation cutanée peut survenir, caractérisée par des rougeurs, des brûlures, des démangeaisons, une desquamation ou éventuellement un gonflement. L'irritation peut être réduite en utilisant le produit moins fréquemment ou à une concentration plus faible.

Cessez l'utilisation si l'irritation devient sévère.

Garder hors de portée des enfants. En cas d'ingestion, faire appel à une aide médicalisée immédiatement ou contacter un center anti-poison.

Mode d'emploi: Nettoyer soigneusement la peau avant d'appliquer ce produit. Couvrir toute la zone affectée d'une fine couche une à trois fois par jour. Car un dessèchement excessif de la peau peut survenir, commencer par une application par jour, puis augmenter progressivement jusqu'à trois fois par jour si nécessaire ou selon les directives d'un médecin. En cas de sécheresse gênante de la desquamation, réduire l'application à une fois par jour tous les deux jours.

Ingédients inactifs: Eau (Aqua), Sodium CT4-16 Olefin Sulfonate, Cocamidopropyl Betaine, Copolymère d'acrylates, Glycérine, Pentyène Glycol, Propanediol, Glycol Caprylyl, Ethylhexylglycérine, Chlorphénésine, Hydroxyde de Sodium, Trisodium Ethylenediamine Disuccinate, Acide Citrique.
