-----  
**006 ESTRIOL CREAM**

Estradiol 0.2%

Hormone support

Uses

Helps support hormonal balance. May help ease symptoms associated with menopause.

Warnings

For external use only. Do not use if pregnant, nursing, or trying to conceive. Avoid contact with eyes. If contact occurs, rinse thoroughly with water. If irritation or rash develops, discontinue use and consult a healthcare provider. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Do not use if pregnant, nursing, or trying to conceive.

Avoid contact with eyes. If contact occurs, rinse thoroughly with water.

If irritation or rash develops, discontinue use and consult a healthcare provider.

Keep out of reach of children.

Directions

Massage into the inner arm, thighs, chest, or apply to the inner forearm and rub arms together until absorbed. Apply two pumps in the morning and two in the afternoon or evening, or as directed by a healthcare provider.

Core Storage

Conditions

Cool, Dry Environment: The product should be stored at room temperature (ideally between 15-25°C / 59-77°F). in a dry place and away from direct sunlight. High temperatures and direct sunlight can accelerate the oxidation and breakdown of active ingredients, leading to reduced effectiveness or changes in consistency (e.g., the cream may become thinner or separate).

Other information

Store in a cool, dry place. Do not use if seal is broken or missing.

"These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease."
