

HANCHOBIT RADIANT PINK TONE UP SUN CREAM- titanium dioxide cream
HANCHOYEANBIOTEC Co.,Ltd.

CENTELLA ASIATICA LEAF EXTRACT

1. The thin and light pink tone can brighten your skin tone and make your skin more supple and fair.
2. It has broad-spectrum protection, contains UVA and UVB filters, and effectively prevents sunburn.
3. It can moisturize the skin while protecting it from the sun, improve skin moisture, and make the skin younger.
4. It has a light texture, is easy to apply, and is convenient and quick to use. It is an ideal choice for sunscreen products.

1.15-20 minutes before going out, apply the sunscreen evenly on the face or body where the sunscreen is required, massage until fully absorbed, and then form a film naturally.

2.If you need to apply makeup, please use it before makeup. If exposed to the sun for a long time, it needs to be reapplied every 2-3 hours.

Please keep out of reach of children. Do not swallow. Please clean your hands before use to ensure the best results from the product. Discontinue use if signs of irritation or rash occur. Store in a cool and dry place.

Discontinue use if signs of irritation or rash occur.

Discontinue use if signs of irritation or rash occur.

Please keep out of reach of children. Do not swallow.
